Dear Marsha:

I was delighted to receive your check for \$75.00, representing the proceeds from sales of *The Busy Bus*. As always, Marsha, I can't begin to tell you how much we appreciate your support of the Infant Welfare Society of Chicago. And we are so pleased to be associated with your wonderful book. We're very fortunate that *The Busy Bus* keeps rolling along as it raises money for this wonderful cause!

Again, Marsha, thank you for being such a good friend to us. We are most appreciative of your loyalty.

Best regards,

Marge Tresley
President
